

The district average of Students in Temporary Housing for 25 Pre K – 8 D1 schools is 13%. In four schools, Students in Temporary Housing make up 20%-43% (up to 3 times the district average) of the schools’ demographics. On the other end of the spectrum, in 8 schools fewer than 5% of students live in temporary housing.

Students in Temporary Housing

The district average in 25 D1 elementary schools (Pre k- 8) of economically disadvantaged students is 79%. 10 of these schools enroll over 90% economically disadvantaged while half of these (5) are at 100%, yet 4 schools serve fewer than 50%.

Economically Disadvantaged

* NYSED defines Economically Disadvantaged by: Economically disadvantaged students are those who participate in, or whose family participates in, economic assistance programs, such as the free or reduced-price lunch programs, Social Security Insurance (SSI), Food Stamps, Foster Care, Refugee Assistance (cash or medical assistance), Earned Income Tax Credit (EITC), Home Energy Assistance Program (HEAP), Safety Net Assistance (SNA), Bureau of Indian Affairs (BIA), or Family Assistance: Temporary Assistance for Needy Families (TANF). If one student in a family is identified as low income, all students from that household (economic unit) may be identified as low income.

Across 25 Pre k – 8 schools, the average Title I is 75% with 18 of 25 schools meeting the threshold of 60% Title I enrollment. Half (9) serve over 90% students eligible for free/reduced lunch. Five D1 schools serve 100% students eligible free reduced lunch while 5 schools serve below 50%.

TITLE I

The district average for English Language Learners across 25 D1 Pre k - 8 schools is 10%. 8 schools serve 5% or fewer English Language Learners, while 6 schools enroll 3 to 4 times as many English Language Learners (17 - 21%).

Distribution of English Language Learners

District 1 serves a high number of students with special needs and as result, our District Leadership Team has always tracked for equitable distribution of students with special needs in our community schools. Removing the schools that have historically and structurally underserved students with disabilities – Gifted & Talented and Dual Language- the district average rises from 27% to 29%. Students with disabilities are relatively evenly distributed around the mean (29%).
